**ORDER DISMISSING REMAINING CLAIMS**

---

This case is before the Court on Defendant's Motion to Vacate, Set Aside, or Correct a Sentence, pursuant to 28 U.S.C. §2255 (Doc. No. 451). The case came on for evidentiary hearing on Petitioner's remaining claim or claims of ineffective assistance of trial counsel. Present in court with counsel, Defendant withdrew all remaining claims with prejudice and consented, through counsel and under 28 U.S.C. § 636(c)<sup>1</sup>, to entry of judgment on those claims by the Magistrate Judge. The Court advised Defendant that withdrawal with prejudice meant that these claims could not be re-filed in any forum. Upon inquiry, the Court determined that Defendant made the decision to withdraw the remaining claims knowingly, intelligently, and voluntarily.

Accordingly, all remaining claims in defendant's § 2255 Motion not yet adjudicated by the Court are dismissed with prejudice. The Clerk will enter final judgment in this matter.

February 25, 2010.
